

Program Name: Yale Combined Internal Medicine-Pediatrics Residency Program

Size of intern class: 4

Application Process:

Number and types of letters of recommendations: Flexible, usually one letter from Peds Dept, one from Medicine Dept, then 1-2 others

Application review/invite timeline: Rolling, starting soon after MSPE's are released

Approach to Step 1: Holistic review

Approach to Step 2: Holistic review

Post-Interview Communication Policy: Pretty firm on this..... Hospitality, Integrity, Professionalism (HIP). The PD does not communicate with any applicants about their rank status. Applicants are welcome to email/communicate with any faculty member or resident at Yale to answer questions.
