

Program Name: Medical University of South Carolina

Size of intern class: 4

Application Process: Applications accepted via ERAS/NRMP only. All interviews will be virtual.

Number and types of letters of recommendations: 3 letters of recommendation (in addition to a MSPE). Chair letters are welcome but not required.

Application review/invite timeline: Applications will be reviewed starting when ERAS opens October 21st. Interviews will begin in early November and run through January.

Approach to Step 1: Passing on first attempt is preferred. No minimum score requirement.

Approach to Step 2: Passing on first attempt is preferred. Score ideally available by the time of ranking.

Post-Interview Communication: Any contact from the program after interviews will be similar across all applicants and may include a thank you note or news/updates about the program. We will also answer questions via email that applicants pose after the interview day.
